RECORD GROUP SCOPE NOTE:

This group contains papers from the Finance Committee of the City Council. These papers include petitions made before the Council between 1863 and 1932 and referred to the Finance Committee for handling. Each petition contains the request, any supporting documentation, and the report and decision made by the Committee. General subjects include license fee reduction, requests for free licenses, transfer of licences, requests for refunds from fines received in Police Court, overpayments of water bills, relief from or reduction of taxes on personal property, relief from paving bills, assessors appeals, and business and property taxes. This group also contains information on employee pensions, salaries, financial statements, bond issues and requests, bonds for Bay Street Viaduct, bonds for house drainage and sewerage systems, Savannah and Albany Railroad Company stock, and budgets for the City. Petitioners represented various ethnic, political, religious and racial constituencies of Savannah's community.

Additional boxes of petitions to the Finance Committee were found in the vault that pre-dated the papers already in this record group. As a result the early material has been placed at the beginning of the record group in boxes marked 1 X through 2 X. See inventory for detailed list of box content.
